EXPERIENCE

Team Member

NASA's MnSGC Quadcopter Challenge via Normandale's STEM Club

Oct 2020 - Apr 2021

Designed a light-weight microcontroller-based sensor suit in C and C++ for the drone to explore the campus for accomplishing the challenge duty.

Editing promotional video and educational video for the whole team depends on challenge tasks.

Calculus Pass Leader

Normandale Tutoring Center via Normandale Community College

Aug 2021 - Dec 2021

As a leader, I was able to assist and organize the lecture for students who needed help and were able to study along with the group.

Support students to figure out the complete answers in written assignments.

Chemistry Pass Leader

Normandale Tutoring Center via Normandale Community College

Jan 2022 - May 2022

Similarly to Calculus, my role was to lead the group of students actively attending the class exercise.

Providing powerpoint slides for the group works based on the course progress.
